

FOR IMMEDIATE RELEASE—February 1, 2018

West LA Utility Box Artist Selection

Councilmember Mike Bonin, West Los Angeles-Sawtelle Neighborhood Council, and West LA Community Coalition are pleased to announce the artists selected for the West LA Utility Box Art Project. We received many submissions for only eleven boxes, so the decision was not easy. Congratulations to the following artists: Peter Chan, Oscar Manuel Lopez, Keith Dugas, Lila Ash, Gloria Campbell-Verwys, Lila Saint-Denis, Arthur Fong, Jade Goegebuer, Ryanna Rowles, Brian O'Hara, and Noah Malloy!

We love public art, and are thrilled to have the "Utility Box Art Project" here in West LA as a way of adding more neighborhood character to local utility boxes with fresh, inspiring designs. Stay tuned for additional updates at www.westlasawtelle.org and www.westlacomunitycoalition.org. Thank you again to all the artists that submitted designs, and helping to beautify West LA.
